TURN VEREIN IS TWENTY YEARS OLD

Anniversary Occasion Yesterday Is Celebrated By the Local Society And a Large Concourse of Visiting, And Borough Guests

COUNTY OFFICIALS PRESENT

Judges Brownson And Crumrine, District Attorney Howard W. Hughes, General Edward Martin, And Others — Judge Brownson Makes Address

Turner hall was the scene of a brilliant and noteworthy assemblage last night, when members of the Charleroi Turn Verein and their invited guests to the number of about 100, enjoyed the amenities and festivities incident to the celebration of the twentieth anniversary of the institution of the Turn Verein organization in Charleroi. William R. Gaut was the toastmaster at the most excellent banquet served, and among the features were solos rendered by C. Warren Kinder and Miss Ethel Barth, with Mrs. Kinder as accompanist.

Carl Aschman, president of the Turn Verein, and representative members of the organization, as well as Toastmaster Gaut, were introduced to the concourse by Tax Collector Fred W. Brady. Mr. Gaut displayed his accustomed ability as a toastmaster in which he accepted the honor, told of the good work of the Turn Verein, and welcomed the assemblage. He then called upon Mr. Aschman, president of the Turn Verein, who welcomed the guests in behalf of the members of the society.

At the conclusion of the remarks of Mr. Aschman, Toastmaster Gaut introduced President Judge James I. Brownson, who, after being given an ovation which left no doubt of the popular esteem in which he is held, talked sagely for a period of probably 30 minutes on the "Duties of Citizenship." Among the salient things which the jurist said and emphasized, was the importance of "getting out the vote" at the near forthcoming election. The duty of one's voting and loyalty to their home town, their county, to the state, and to the nation, were keynotes of Judge Brownson's address. Information conveyed from statistics as given by his honor elicited the information of the present-day dereliction of those who have the right of franchise; for example, two years ago in a voting population in the county of 69,000, but 19,000 exercised their prerogative. The jurist in his peroration urged the necessity of all who have the right of franchise to go to the polls next November 4, and exercise their constitutional authority.

Judge J. Boyd Crumrine was the second speaker of the occasion, who emphasized the great privilege we have for progress as the greatest people of the greatest nation on earth.

Howard W. Hughes, district attorney, was then introduced by the toastmaster, not so much as a stranger, because he was formerly a Charleroi product and a graduate of the borough public schools, but more especially in his role of district attorney, "an official who does his duty commendably," according to Mr. Gaut. Mr. Hughes, among other things said, that he was fulfilling the functions of his office, as well as were his confrerees in accordance with the laws.

General Edward Martin was the fourth speaker, and gave an address in which he sounded the keynote of loyalty to the country, and the possibilities which are inherent as citizens. For example: Calvin Coolidge and John W. Davis both rose from modest beginnings to posts of honor. Mr. Martin's address, one of the best of the evening, told of the advancement made in civilization during the past 20 years—what the Turn Verein must have achieved, and many things that the country and the world as a whole had achieved.

Toastmaster Gaut then introduced Mr. Sible, president of the Turn Verein, who gave considerable light on the doings and the patriotism of the organization collective, and paid a fine compliment to the local organization by saying that its being one of the 22 organizations of its kind in the Pittsburgh district did not tell the story; that it was one of a great collection of Turn Vereins in this country who are teaching in their clubs and in the public schools of the land not only those things which count for bodily vigor, but the things that count for education and loyalty. Mr. Sible was accorded a great ovation at the close of his excellent and patriotic address.

The sixth speaker was Attorney Warren Burchinal, assistant district attorney, who made happy allusions of his profession and the honor which was his in being present and being called upon to voice his appreciation.

C. E. Carothers, chairman of the Republican County committee, as the seventh orator, also emphasized with Judge Brownson, the need of the "full vote on November 4."

Samuel C Todd, secretary of the Pennsylvania State Chamber of Commerce, was the eighth speaker. He gloried in the fact that while born in Fayette county, he was proud of Washington county, which, in his opinion, is the "best county in the state."

J. Edgar Masters concluded the retinue of Washington orators. He said that he was interested particularly, in fraternalism, and that he was glad to learn from the lips of the president of the Turn Verein that the sphere of usefulness of the or-

COUPLE SUES FOR $10,000

Damages in the sum of $10,000 are claimed by Frank H. Measic and Rosie Measic, his wife, in a suit filed against George Trojner, Jr., for alleged personal injuries received by Mrs. Measic and property damages claimed to have resulted from an automobile accident in Monongahela on July 20, 1924.

The accident occurred at the intersection of Main and Third streets in the morning. The statement of claim sets forth that as the automobile occupied by Mr. and Mrs. Measic passed this corner, going south on Main street, the car of the defendant, going north suddenly turned to the left and ran into the Measic machine. It is claimed that as a result of the accident Mrs. Measic has lost the entire use of her right hand, and received injuries in her right knee and leg, and back.

The defendant is charged with negligence in a "turn to the left" without passing the center of the intersection of Main and Third streets, in his failure to pass to the right of the red light placed on the street to mark the center of Third street and in driving his machine at a high and dangerous rate of speed.

Four Men Hang At Daybreak For Murder of Chauffeur

Montreal, Que., Oct 24.—Four men were hanged at daybreak for the murder of a paycar chauffeur during a holdup.

Tony Frank, erstwhile "king of the underworld," Louis Morel, Giuseppe Serafini and Frank Gambino were executed practically simultaneously at Bordeaux jail—despite every effort of their friends and attorneys to save their lives.

The men who were hanged today were four of a gang of eight who planned and carried out the holdup of a paycar at Hochelaga on April 1, in which Henri Cleroux, the chauffeur of the car, was killed.

Montreal's tenderloin, where the men, especially Frank and Morel, a former detective and star athlete, were well-known, had predicted the bandits "could not hang." There was tremendous interest in the executions and hundreds sought admission to Bordeaux jail.

Morel and Gambino were hanged together, first, and the execution of Frank and Serefino followed five minutes later.

The former athlete died gamely as had been expected. He mounted the movable scaffold with firm step. Gambino, who was only a hired gunman, whimpering slightly, but braced himself at the end as the noose was adjusted and he kissed a crucifix.

Tony Frank seemed in a daze as his turn came, and he and Serafini were hanged.

The morning was hazy and day had scarcely dawned when the executions were effected. Electric lights cast a ghastly glare upon the gallows.

Scores of police guarded the jail inside and out throughout the night to prevent a possible attempt at delivery.

Motorcycle police rode around the jail and the jail yard while armed guards marked off a line around Bordeaux's walls past which no one was permitted after 11:30 last night.

BOYS MEET AND PREPARE FOR PARADE SATURDAY

Over four hundred boys attended the special meeting held last night in the People's store, Fallowfield avenue, for the purpose of making final arrangements for the parade Saturday. The storeroom, basement, and even the entrance way of the store was crowded last night, all the boys of the Victor Junior Boys club anxious to hear what their leader, E. Huttner, had to say to them.

The boys will assemble Saturday morning at 9:30 at the Pennsylvania Railroad depot and parade through McKean and Fallowfield avenues, at the termination of which the boys will go to the Majestic theatre, where they will be the guests of Michael Rosenbloom and witness the great picture, "The Fighting American." A special feature in connection with thet theatre party will be a prize essay contest open to members of the club. The subject will be the particular picture which the boys will see, and to make thecontest entirely fair to all, there will be three classifications open respectively to boys of from 6 to 9, 9 to 12 and 12 to 16. 3,000 MAY VOTE IN MONESSEN

Monessen, on November 4, will vote up near to its full voting population according to figures compiled after the third day's registration. The total was 2,847, while estimates placed the possibility at about 3,000.

The final day for registration found registrars swamped with men and women eager to qualify for the ballot and that evening they were kept busy with a long string of applicants who delayed until the last moment.

The figures from the various precincts were as follows: First precinct, First ward 192; second precinct, First ward, 294; second precinct, Second ward, 204; Third ward, 285. This made a total of 1,207 voters registering on the final day and added to 1640 for the first and second days brought the total to 2847.

Those who failed to personally register on any of the three days won't be denied the ballot at the November election.

Raiding of Gambling Joint In Monessen Yields Alleged Murderer

As the result of a raid on an alleged gambling joint at Eleventh street and Schoonmaker avenue, Monessen, last night, Monessen police are holding an alleged murderer and fugitive from justice, according to a confession heard this morning.

Sam Johns, alias "Sonny" Johns, was arrested last night and when taken to the police station he was identified as the man wanted for the murder of Mattie Frazier of Baltimore, Maryland, last June 8. The woman was stabbed in the back by her assailant, and several days later died in the Baltimore hospital. Johns disappeared, and Baltimore authorities learning of the existence of a relative in Monessen and wired the Monessen officials at that time to be on the lookout for such a man. No trace had been found of him until last night, when he was arrested.

The accused when first arrested stoutly denied his guilt, but shortly before noon today he confessed to Chief of Police William A. Horn that he was the man wanted.

Baltimore authorities were immediately notified, and answering by telegraph immediately, they authorized the Monessen police to hold him until requisition papers were prepared, after which he will be taken back to Maryland to answer for his crime.

ARMISTICE DAY AT MONONGAHELA

Officers of One Hundred Tenth Regiment And Ex-Service Men From Every Town And Community Will Be There

PARADE IS TO BE FEATURE

Will Likely Contain the Greatest Array of War Veterans That Ever Took Part In a Demonstration of This Character In the Valley

Arrangements have been completed for the Armistice day celebration to be held in Monongahela on Tuesday, November 11, when officers of the One Hundred Tenth regiment and ex-service men from every borough and city in the Monongahela valley will be in that city. There is some detail work to be accomplished, but the committee is pushing to completion the essentials.

The parade in the afternoon will be the feature of the day, and it is probable that it will see the largest array, in this valley, of war veterans that ever took part in a civic and patriotic demonstration. It is anticipated that not only the local post of the American Legion, but Donora, Monessen, California, Roscoe, Brownsville, Marianna, Washington and other posts will be represented.

Merchants of Monongahela have subscribed 100 per cent to the Shenandoah decorating system, so that the business part of the city will shine resplendent with lustre.

The One Hundred and Tenth Regimental band of 20 pieces, will be among themusical organizations present. Good speakers will add to the value of the elaborate program.

PRACTICE ECONOMY IN CLOTHES BUYING

If it doesn't cost enough, it is too expensive, if it costs too much, it isn't worth it. A $35 suit that is worth $25 is expensive; while a $50 suit that is worth $50 is a bargain. PLANS ARE UNDER WAY FOR A HALLOWE'EN SOCIAL

Plans are well under way for the Halloween social that is being given next Tuesday night, October 28, in the church school room of St. Mary's Episcopal church under the auspices of the Crozier club. Tickets are being sold at a rapid rate this week, and arrangements are being made for a very large crowd of masquaraders as well as those who do not care to attend masked. The proceeds of the affair are to go towards paying off a $10 indebtedness due the lub for the Japanese Relief fund; and also to go towards assisting with the repair work and improvement recently completed in the basement room.

Every effort is being made on the part of the committee in charge to make the occasion a very enjoyable one, and besides the usual festivities that are included with a Halloween social, there will be an entertainment. Miss Edith Keys, well known soprano, has kindly offered to sing several vocal solos that night, while Fred Crichton, assistant manager of the J. C. Penny store, will put on the entertainment of song and monologue. Refreshments will be served.

Monday evening, all members of the Crozier club are requested to be at the Church school room to prepare for the forthcoming festivity. At that time the room will be appropriately decorated.

A MAN'S HEROISM SAVES HIS FAMILY

Pittsburgh, October 24—Six children and their mother escaped death today through the heroic act of the husband and father, in helping them jump from the third floor window of a tenement house on Hazel street into a fire net after flames had destroyed all other means of escape.

George Sumner, the father, was severely burned and hurt when he jumped from a window away from the net onto a pavement. His condition is critical in the Passavant hospital.

FOUR PEOPLE KILLED A T DEADLY GRADE CROSSING

Quakertown, Pa., October 24—Four members of one family were killed in a grade crossing accident here last night. The victims were Mr. and Mrs. Warren Dwees and their two daughters, Gladys and Dorothy, the first-named four years old, and the latter, one year old. Their automobile was struck by a Reading car No. 2, an accommodation engine and observation car.

ROCKEFELLER GIVES SON BULK OF WEALTH

New York, October 24.—Transfer and distribution of some of America's great blue-blood fortunes is bringing to the fore a new class of wealthy, publication of income tax returns for 1923 revealed here today.

John D. Rockefeller, Sr., long regarded as the richest man in the world, is found to have handed down to his son the bulk of his huge fortune as told by these two income tax payments:

John D. Rockefeller, Jr., $7,435,189.41, and John D. Rockefeller, Sr. $124,266.47.

Young Rockefeller and the family and motor works of Henry Ford, are shown in the first published income payments, to represent the two greatest incomes in the country today.

But, while the huge holdings of the elder Rockefeller are being transferred to his son, the once great fortunes of the Astors, Vanderbilts and Goulds are shown to have been so distributed among members of the family that no one income tax paid by any of them would indicate the commanding fortunes once held by the heads of these households.

J. P. Morgan, whose name for decades, has dominated the banking world, domestic and international, is found to pay an income tax of only $98,649, while scores of men in many different walks of life in New York alone are shown to be paying vastly more on their fortunes.

Team Badly Crippled For Game With Glassport Tomorrow at The Ball Park

Last evening's scrimmage session between the first and second teams showed that Charleroi High at the present time is in a badly crippled condition. Chacko, Cryzer, DeHainaut, Morgan and Anthony are on the crippled list and will not be in line-up Saturday against Glassport High School. The first string team lined up with the following men: Crabb fullback, Torbert and Patterline at halves, O'Brien at quarterback, Feehan and Shephard at ends, Shiget and Johns at tackles, Cantoni [illegible] with Windman at center. "Jiggers" White played a fine game during the scrimmage and may get the call at quarterback for Saturday's game. White while small, is a fighter, has a good head and knows how to use it on the football field as well as on the basketball floor. There is not another member on the squad that can take more punishment and come back for more. Another boy that will bear watching in the future is Martin Gazzer, a tackle on the second team but as soon as he gains a little more experience he will develop into a valuable lineman for the first team.

Saturday's game with Glassport High School will be handled by very efficient officials. Glass, who has worked as linesman in the Homestead and Rochester High games will referee. Glass, was a former Bucknell star both in football and track. At present he is athletic director at Dormont High School. Frank Barbe, Waynesburg will umpire and Wm. Markel, Gettysburg, will act as linesman. Markel coached Donora High School in 1922. The kick-off takes place at 3 p. m. In order to relieve congestion at the box office tickets will be sold outside the gate. Admission 50 cents.

FIRPO BALKS AT TERMS TO MEET ROMERO

Luis Firpo has balked at efforts of Tex Rickard to sign him for a match with Quintin Romero, the Chilean heavyweight, or George Godfrey, Philadelphia negro fighter.

The promoter wants to put on Firpo with either of these men at Madison Square Garden the first week of December, but so far the Argentine still involved in legal complications growing out of deportation proceedings against him has declined to sign [illegible].

Firpo indicated he still harbored resentment against Romano for the latter's alleged disparaging remarks last spring when his refusal to meet the Chilean in South America. Firpo told Rickard's matchmaker he was disinclined to fight Romero on this account.

Whether his defeat by Wills is an influencing factor or not, Firpo intimated in opposing a Godfrey match that he was not eager for another mixed match.

Pending the outcome of government litigation, Firpo will make no definite plans but if he is cleared of the charges against him, Rickard believes the temperamental South American will consent to terms for several matches during the winter at New York.

GOLDBERG HAMMERS BOWEN BUT CAN'T KNOCK HIM OUT

He was game. That's about all could be said of the over-matched Eddie Bowen, once flashy kid of Sharon, last night in McKeesport when the rough Larry Goldberg of New York cut both Bowen's eyes, puffed up his face and battered him about the body but couldn't put him away in 10 rounds. When a kid Bowen's age shows the fighting heart and the little bit of ability he did last night, it usually means tin ears, broken noses and disordered anatomy before he reaches his majority.

Yet Bowen, had he not been encouraged, could have avoided quite a lot of the one-sided pasting he took last night, had he not come back on his feet twice after having been [illegible] in the third round.

DEMARCO AND ZIVIC OVERLOOKED IN PICKING PROSPECTS

Tex Rickard, boxing promoter, has suggested to the state boxing commission the names of six featherweights and five lightweights, who in his opinion, would be eligible to participate in tournaments to produce a featherweight champion to succeed to the title vacated by Johnny Dundee and a lightweight challenger for [illegible].

The featherweights are Louis 'Kid' Kaplan of Meriden, Conn., Danny Kramer of Philadelphia, Kid Roy of Canada, Lew Hurley of Harlem, Lew Paluso of Salt Lake City, and Mike Dundee of Rock Island, Ill.

The five lightweights are Jack Bernstein of Yonkers, Sid Terris of New York, Luis Vicentini of Chile, Sid Barbarian of Detroit and Sammy Mandell of Rockford, Ill. Rickard was unable to select a sixth lightweight, but suggested a choice from George K. O. Chaney of Baltimore, Tommy O'Brien of Milwaukee, Archie Walker of Brooklyn and Sammy Vogel of New York. Thus our "Cuddy" is overlooked. Rickard's eyesight must need the attention of an optician.

HEYDLER AND THREE PLAYERS WILL BE SUMMONED IN SUIT

"Cozy" Dolan took another step yesterday in his fight to clear himself of charges that he was implicated with Jimmy O'Connell in the attempt to bribe Heinie Sand, Philadelphia shortstop.

In the office of his counsel, W. J. Fallon, who intends to bring suit against Commissioner Landis and organized baseball, Dolan re-enacted [illegible] Landis and related his version of the conversation which took place at the hearing which resulted in his banishment.

The former Giant coach reiterated his denial of any knowledge of the alleged bribery dead and reasserted his innocence of any wrongdoing. Dolan also disclosed that his final hearing before Landis almost ended in blows when he became involved in a heated verbal exchange with the commissioner.

Jimmy O'Connell, the $75,000 outfielder of the New York Giants, whose confession of his $500 bribe offer to Heinie Sand, Philadelphia player caused his banishment from organized baseball and Cozy Dolan's, will await the outcome of the former Giant coach's legal action against Commissioner Landis before deciding what further course he will pursue.

It isn't Just Luck

—when you see a pan of piping hot biscuits taken from the oven —biscuits that have raised "way up high" —baked nice and brown. Luck didn't do it. The use of pure and dependable ingredients, such as

CALUMET
THE WORLD'S GREATEST BAKING POWDER

is what makes successful bakings.

If you have been trusting to luck on bakeday—stop it! Join the big army of housewives who use Calumet. They never guess—never hope. Experience has taught them that there is never any loss of time or money when Calumet is used.

EVERY INGREDIENT USED OFFICIALLY APPROVED BY U. S. FOOD AUTHORITIES

A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce cans instead of 16 ounce cans. Be sure you get a pound when you want it.

THERE IS NO SUBSTITUTE FOR CALUMET

A Woman's Way.

"I tried for four months to get my wife to try Mayr's Wonderful Remedy, which I know had helped a friend of mine who also suffered from stomach trouble. She insisted her case was different. I finally had to bribe her with a new dress. The first dose produced remarkable results, cleaning up her complexion and restoring her appetite. She can now eat things she hadn't been able to eat for many years." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded. At all druggists.

SPINE

In Line?

Perfect alignment of the spine means perfect health. ImPerfect alignment means that one of more of the vertebrae of the spine are out of the natural position. This produces pressure on the delicate nerves at the point where they leave the spine. Because of this the brain cannot get the full amount of life force over them.

Whatever part of the body, whether it is the heart, stomach, lungs, kidneys, etc., that is supplied by a pinched nerve is bound to be weak, because every cell in the body receives its life force over the nervous system, and if the nerve is pinched its life force is decreased.

Chiropractic Adjustments will put your spine in line and health follows.

EXIT PREMIER MACDONALD.

It seems a pity that Premier MacDonald allowed a rich friend to "endow his automobile" with a large slice of stock in a biscuit factory and that the King was induced to confer knighthood on the same rich friend. Such quite human but perilous adventures are apt to become known and no doubt this one was effectively employed in bringing about the fall of Great Britain's first Labor government after nine months of remarkable administration. The chief charge against the Labor government was "Communist sedition," which, according to report had little basis in fact. MacDonald is said to have incited sympathy for some of his party's theories and to have done little toward putting [illegible] was the field of foreign affairs that mainly interested him and in this field his sincerity, earnestness and open methods caused him to make his mark.

An intelligent summary of his effort in this field reads: "Ramsay MacDonald can point to a record of achievement in the sphere of foreign affairs that insures his place in history no matter what the future may have in store for him. He succeeded in a task that broke the back of Lloyd-and two Conservative Prime Ministers. He restored cooperation between Great Britain and France. He made a notable contribution to the Dawes settlement effecting Germany. He crowned his efforts by his recent activities at Geneva, where his personal intervention, side by side with Herriot of France, was the main factor in the adoption of the great protocol of arbitration and international law that has made of the League of Nations a living and glowing thing."

A prize was given Miss Elsie Weber for the prettiest costume and one to Miss Caroline Paxton for the most comic.

Three visitors were present. After a delicious luncheon the guests departed voting the party a highly successful one. The next regular meeting of the clulb will be held next Thursday evening at the home of Mrs.Alberta Bertouille of North Charleroi.

ONTARIO IS DRY BY A LARGE MAJORITY

Ottawa, Ont., October 24. — The province of Ontario remains dry by a majority expected to reach 40,000 when returns from all outlying rural districts are tabulated.

At an early hour today, the vote stood:

For continuance of the temperance act, 491,200.

For sale of liquor under government control, 450,000.

The cities, especially Ottawa, voted heavily to substitute government control for prohibition, but the rural districts upset this majority and turned the tide to the drys.

to accomplish slender lines for stout or semi-stout figures.

And the model here shown has an upper re-enforced front-lacing which supports the diaphragm and controls the abdomen. A long skirt checks rolling flesh and produces the much desired flat back effect, yet is not too heavily boned for comfort. Silk flossing of front gores checks waving through and the boning is both rustless and flexible.

This is a made-to-order model for stout, semi-stout or full-figured women.

In two qualities, BON TON or ROYAL WORCESTER.

The model illustrated and other BON TON and ROYAL WORCESTER corsets, nationally advertised in leading Women's Magazines, will be demonstrated here all next week by Madam Killoran, noted corset specialist. Come in and be properly fitted.

Does Your Back Ache?

Bad Backs Bring Suffering to Many Charleroi Folks.

Is that dull, constant backache making you old and miserable? Does your back throb and ache until it seems you just can't keep going? Do you suffer headaches, dizzy spells and [illegible] worn-out? Then look to your kidneys. Delay may mean serious kidney sickness! Use Doan's Pills—a stimulant diuretic to the kidneys. Doan's are recommended by Charleroi folks.

A. W. Pennline, 713½ Crest Ave., Charleroi, says: "My kidneys became weak and sharp pains took me in the small of my back and I felt badly all over. When I stooped, the pains dug in deeper and I could hardly straighten again. My work obliged me to be on my feet all day and at night my back was lame and sore. My kidneys didn't act often enough. After using Doan's Pills, I was completely cured." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills — the same that Mr. Pennline had. LEGEND OF LOST GOLD MINE IN GREAT PICTURE

A Spanish legend more than three centuries old of a mysterious lost mine fabulously rich in gold ore, forms the background for the story of "The Mine With the Iron Door," just announced as the feature photoplay attraction for next week, Monday, Tuesday, Wednesday and Thursday, October 27, 28, 29, and 30—four days, at the Coyle Theater.

That gold, like true love, is where you find it, and that neither is to be possessed without long and arduous struggle, is the guiding theme of the film version of Harold Bell Wright's latest and greatest novel which has been transferred to the screen by Sol Lesser of Principal Pictures Corporation with a faithfulness to the story that is seldom found in picture adaptation.

In addition to the lure of the lost gold, which never loses its fascination to the average person, "The Mine With the Iron Door" is said by the best [illegible] features that tend to make it one of the most widely appealing and absorbingly interesting pictures that have come to the screen this year.

In "The Mine With the Iron Door" there is deep love and tender romance, thrilling adventure and mystery that is solvable only when all the facts are known The feature abounds with the spirit of the early days of the great southwest when the Franciscan Friars drifting into that section of the country, made peaceful alliances with the Papago Indians, found rich gold veins and established their missions—many of which still stand intact—and set up their altars of solid gold.

This great picture, made under such difficult circumstances, was directed by Sam Wood, whose name as the maker of feature photoplays is known everywhere there is a movie house. Dorothy Mackaill has the leading feminine role in a genuinely all-star cast Pat O'Malley plays the role of Hugh Edwards, the hero, while Robert Frazer has the part of Natachee, the Indian. Others in the cast are Mary Carr, Charles Murray, Bert Woodruff, Creighton Hale, Mitchell Lewis, Raymond Hatton, Clarence Burton, William Collier, Jr., and Lillian Leighton.

GERMANS ARE INTERESTED, ONLY IN A MEASURE

Berlin, Oct. 24—The average German's interest in the American election centers on the question of the probable effect upon the treaty of Versailles, with the tariff secondary. Since Senator LaFollette has said he favors revision of the Versailles treaty, most Germans favor Senator LaFollette.

Every German yearns for revision of the treaty and the post-war tendency has been to look to America for initiative in this matter.

Another matter entirely is the tariff. The average German industrialist is greatly concerned with this; he hopes for revision downward, so that German made goods may the more easily enter the United States and believes that such is possible with either La Follette or John W. Davis.

The demands of the experts scheme would be lightened if more German goods could be sold in America.

Mr Coolidge recently pleased Germany's vanity by his praise of Dr. Hugo Eckener and his (Eckener's) exploit in piloting the ZR-3 across the Atlantic It is also believed that the Republican administration will favor retention of the Zeppelin works at Frederickshafen, a project dear to the German heart.

A majority of Germans, however, consider La Follette "pro-German" and hence are for him.

Swans Not Songsters

Swans have been favorites of people since ancient times Greeks called them the birds of Apollo. There are two fine species of swans in America —the Trumpeter and the Whistler They build their nests along the shores of lakes and on islands, from the Dakotas north to the Arctic regions People used to believe that a swan sang but once, and that was when it was dying. This is not true The swans are great trumpeters, but they never sing.

Tongue Troubles

Betty is a great talker. It was often said of her tongue that it was loose at both ends and it wagged in the middle But when she ate she quite often bit her tongue One evening at supper she bit her tongue and then burned it on something hot. After a few tears and a little sympathy she remarked: "I guess I'll take my tongue out when I eat and put it back when I talk."

That Ought to Deter Her

A woman who frequently went out to spend the day with friends had been accompanied by her six-year-old son. One evening, on returning home very much bored with the day's experience, the boy remarked. "Mother, if you don't stop taking me around with you so much people will think you have married a dwarf."—Boston
